UPSTATE DOOR®
FINE DOOR SOLUTIONS... ONE SOURCE

BI-FOLDING DOORS
Fresh air and a beautiful view

All of Upstate Door's bi-folding units are constructed utilizing Brio® or Centor® hardware. Both offer innovative solutions that complement our doors. This hardware is manufactured in architectural grade stainless steel and is available in oil rubbed bronze, PVD brass, brushed stainless steel, or polished stainless steel. Tested for weatherproofing and proven performance, Brio® and Centor's® hardware packages are two of the most secure systems available.

centor®

THE UPSTATE DOOR DIFFERENCE

To our customers--whether architects, builders, dealers, or homeowners--"one source" may mean different things; but for everyone, it means that we have the resources and expertise to be your trusted partner. We will guide you, understand your specifications, build to your design needs, and help you extend your design from the entryway through the entire home. We deliver quality product, on time and in perfect condition. When your design requires heirloom-quality doors, choose Upstate Door.

FINE DOOR SOLUTIONS... ONE SOURCE

FINE DOOR: We build to AWT's "fine furniture" standards in both our product offerings.

SOLUTIONS: We can provide doors to fit any and every need.

ONE SOURCE: We have the expertise and capacity to manage all your interior, exterior, and specialty door needs.
