Semi-Custom & Value

CLASSIC DOOR SOLUTIONS

Semi-custom line of fine doors

Upstate Door offers quality semi-custom door options in a variety of styles, all on a budget

CALL OR VISIT OUR WEBSITE FOR MORE DETAILS

Upstate Door is proud to offer our Classic Door Solutions line of beautiful and durable interior and exterior doors. This line is designed for a quick and easy ordering process, offering semi-custom solutions featuring timeless styles, shorter lead times, and addresses project budget considerations. We offer over 3,000 standard design options, all available in both a variety of hand-selected hardwoods and superior paint-grade, double-refined MDF.

We offer:

- One source for complete, quality semi-custom interior and exterior door solutions
- Attention to detail on every door, every time
- Hand-selected wood that passes through numerous craftsmen before it's complete
- Jamb made in our factory, assembly optional, to ensure the perfect fit
- LVL engineered stiles for added strength and durability
- Doors delivered on our trucks to ensure doors arrive in the condition they left
- Book matched veneer for a classic look
- Marine epoxy on all exterior units to endure daily usage

UPSTATE DOOR®
FINE DOOR SOLUTIONS... ONE SOURCE

CLASSIC DOOR SOLUTIONS
Semi-custom line of fine doors

Consider the many ways that our Classic Door Solutions stand out from the competition!

<i>Why Classic Door Solutions?</i>	<i>Why Not Competitors?</i>
All doors are built to specifications	Majority of doors are stock items
3-6 week lead time on all doors	Built to spec items, minimum 6-8 week lead time
Over 3,000 standard door designs	Limited door design options
6 different sticking options	1 or 2 sticking options
Attention to detail during construction	Mass-produced
Hand-selected premium wood for matching	Economy grade wood
Jambs manufactured in our factory	Jambs aren't done by the door manufacturer
Delivered directly on our trucks complete with pre-hang (1 step)	Shipped to distribution for pre-hanging and shipped again (2 step)
LVL engineered stiles	Varied stile construction
Marine epoxy used on all exterior units	Water based glue used on exterior units
Book matched veneer	Non-book matched veneer
Solid rail (no delamination)	Laminated bottom rail
Dowel stile and rail construction	Non-doweled construction

FINE DOOR SOLUTIONS... ONE SOURCE

To our customers--whether architects, builders, dealers, or homeowners--"one source" may mean different things; but for everyone, it means that we have the resources and expertise to be your trusted partner. We will guide you, understand your specifications, build to your design needs, and help you extend your design from the entryway through the entire home. We deliver quality product, on time and in perfect condition. When your design requires heirloom-quality doors, choose Upstate Door.

- **FINE DOOR:** We build to AWI's "fine furniture" standards in both our product offerings.
- **SOLUTIONS:** We can provide doors to fit any and every need.
- **ONE SOURCE:** We have the expertise and capacity to manage all your interior, exterior, and specialty door needs.
