

UPSTATE DOOR®

FINE DOOR SOLUTIONS... ONE SOURCE

GLASS OPTIONS

Architectural Elegance

**Add architectural elegance to your Upstate Door
with one of our many custom glass options**

CALL OR VISIT OUR WEBSITE FOR MORE DETAILS

With over 15 different glass types and the ability to customize any leaded or wrought iron application, we can create a truly unique addition to any space in your home. Specializing in custom glass design, Upstate Door has a team of trained professionals that can help take your vision and make it a reality. We will suggest the best glass solution to meet your needs and complete the look and feel of your door.

The following options are available through Upstate Door depending on your unique door and glass applications. We also offer a variety of custom glass options if you don't see what you're looking for!

- Low E glass
- Insulated glass
- Triple glazed leaded glass
- Leaded tape
- Metalist (wrought iron look between glass)
- Wrought iron (surface applied)
- Custom shaped wood grills
- SDL or TDL custom muntin options
- Decorative glass (over 15 options)
- Custom frosted designs
- Argon available
