Pre-hang and Delivery

Jambs are manufactured in our factory. Product is delivered on our trucks direct to you complete with pre-hang (1 step).

Fine Finishing Solutions

- Protect your door investment with proper sealing from the manufacturer.
- Receive beautifully finished doors (typically within 1 to 2 weeks of manufacture).
- Avoid the hassle of painting an installed door.
- Prevent costly and time-consuming warranty and replacement issues down the line.

We mix colors to match all major paint brands. Four options are available to choose from. Ask your Upstate Sales representative for details.
